Table of Contents

Section 1 - Introduction

Background.....	1-1
Scope	1-2
Purpose.....	1-6
Authority	1-7
Summary	1-7

Section 2 – Planning Process

Plan Preparation and Development.....	2-2
Review and Incorporation of Existing Plans	2-9
Public & Stakeholder Involvement.....	2-9
Plan Maintenance Procedures	2-13
Continued Public Involvement.....	2-16

Section 3 – Regional Profile

Overview	3-2
Population & Demographics	3-2
Land Use	3-10
Major Lakes & Dams	3-13
Economy & Industry	3-16

Section 4 – People/Property at Risk

Coverage.....	4-1
Study Area	4-1
Assets and Land Use	4-15
Critical Facilities & Infrastructure	4-19

Section 5 – Overview of Hazards

Hazard Identification	5-1
Risk Ranking.....	5-11
Methodologies Used.....	5-17
Loss Estimates.....	5-22
Conclusion	5-30

Section 6 – Flood

Hazard Profile	6-1
Vulnerability Analysis	6-74

Section 7 – Hurricane/Tropical Storm

Hazard Profile	7-1
Storm Surge	7-5
Hurricane Wind.....	7-9
Vulnerability Analysis	7-9

Section 8 – Thunderstorms

Hazard Profile	8-1
Vulnerability Analysis	8-8

Section 9 – Tornado

Hazard Profile	9-1
Vulnerability Analysis	9-13

Section 10 – Hail

Hazard Profile	10-1
Vulnerability Analysis	10-10

Section 11 – Winter Storm

Hazard Profile	11-1
Vulnerability Analysis	11-4

Section 12 – Drought

Hazard Profile	12-1
Vulnerability Analysis	12-11

Section 13 – Extreme Heat

Hazard Profile	13-1
Vulnerability Analysis	13-4

Section 14 – Wildfire

Hazard Profile	14-1
Vulnerability Analysis	14-12

Section 15 – Dam Failure

Hazard Profile	15-1
Vulnerability Analysis	15-11

Section 16 –Hazardous Materials

Hazard Profile	16-1
Vulnerability Analysis	16-9

Section 17 – Pipeline Failure

Hazard Profile	17-1
Vulnerability Analysis	17-20

Section 18 – Terrorism

Hazard Profile	18-1
Vulnerability Analysis	18-3

Section 19 – Capability Assessment

What is a Capability Assessment	19-2
Conducting the Capability Assessment	19-3
Capability Assessment Findings	19-3
Previously Implemented Measures	19-10

Section 20 – Mitigation Strategy

Hazard Profile	20-1
Goals & Objectives.....	20-2

Section 21 – Regional Actions

Overview	21-1
Previous Actions and Analysis.....	21-2
New Actions.....	21-25

Section 22 – Mitigation Actions – Region I

Colorado County	22-3
Fayette County	22-32
Matagorda County.....	22-66
Wharton County	22-140

Section 23 – Mitigation Actions – Region II

Bastrop County	23-4
Lee County.....	23-44
Travis County.....	23-73
Williamson County.....	23-144

Section 24 – Mitigation Actions – Region III

Blanco County.....	24-3
Burnet County.....	24-19
Llano County.....	24-89
Mason County.....	24-129

Section 25 – Mitigation Actions – Region IV

Brown County	25-2
Lampasas County.....	25-62
McCulloch County.....	25-108
Mills County.....	25-128
San Saba County	25-151

Section 26 – Repetitive Loss Properties and NFIP Compliance

Repetitive Loss Properties	26-1
National Flood Insurance Program (NFIP) Participation.....	26-15
NFIP Compliance.....	26-18
Community Rating System (CRS) Participation	26-19

Appendix A – Resolutions

Appendix B – Team Members

Appendix C – Public Survey Results

Appendix D – Funding Guide

Appendix E – Meeting Documentation

Appendix F – Critical Facilities

Appendix G – Toxic Sites

Appendix H – Flood Mitigation Plans – Matagorda and Wharton County
